Great Falls, VA 22066

HOW TO BUY

GSA Multiple Award Schedule, contract 47QTCA26D000G. We also support subcontracting and teaming with prime contractors, open-market buys and small business set-asides.

LMG Tek helps federal, state and local agencies and commercial organizations modernize systems, put AI and data to work, and run secure, accessible technology. We pair strategic consulting with hands-on delivery, bringing large-firm expertise with the focus of a small team, as a prime contractor or as a focused subcontractor on larger teams.

CORE COMPETENCIES

Enterprise and solution architecture
Target-state designs, systems engineering and modernization roadmaps.

AI and data solutions
Data platforms, data science and generative AI on our AITrail platform, governed from the start.

Digital accessibility (Section 508 / WCAG)
Testing, ACR and VPAT documentation, remediation and training through A11Y508.

Business process management
Large, complex case management and workflow builds on Pega, Appian and Salesforce.

Managed AI operations
24/7 monitoring of LLM and agent platforms: health, security, cost and failures.

Cloud and security engineering
Secure landing zones, infrastructure as code and continuous monitoring.

Enterprise service management
ITIL-aligned service design, ITSM platforms and service catalogs.

Portfolio and emerging technology
Investment governance, capital planning support and technology assessments.

DIFFERENTIATORS

- Led architecture for the 2010 and 2020 Decennial Census
- DHS Trusted Tester-certified accessibility professionals
- 10+ years auditing Salesforce platform products
- Certified Woman-Owned Small Business
- Appian partner, Salesforce AppExchange partner and preferred vendor
- U.S.-citizen staff, clearable for suitability and access requirements

PAST PERFORMANCE

U.S. CENSUS BUREAU	**2010 and 2020 Decennial Census.** Led enterprise and solution architecture and systems engineering for two decennial censuses, among the largest civilian programs in the federal government.
FEDERAL CIVILIAN, VIA PRIMES	**Accessibility, data and BPM support** for agencies with statistical, financial regulatory and administrative missions, including big data, data science and large Pega implementations.
FORTUNE 500 COMPANIES	**Accessibility services.** Preferred vendor for accessibility testing, ACR and VPAT documentation and training through A11Y508.

Agencies supported: U.S. Census Bureau · U.S. Department of the Treasury · Office of the Comptroller of the Currency · Federal Deposit Insurance Corporation · U.S. Department of Commerce
